

Staying in the Circle of Life

Native Cancer Survivors Support Group

Session 3: Medical Advocacy & Advanced Directives

Post-Assessment

PARTNERSHIPS
for **NATIVE HEALTH**

Thank you for participating in the Staying in the Circle of Life Native Cancer Survivors Support Group! This assessment is a way for us to find out what we are doing well and if there are areas in which we can improve. We want to provide the best resources to our partner communities and this is one way to keep us on track. We estimate that it will take 5-10 minutes to complete this assessment.

Do not write your name on the assessment. Your identity will be kept confidential. The data collected will be anonymous, and there will be no identifying information or names used in any written reports that result from this evaluation.

Your participation is voluntary. You may stop participating at any time during the process. Your services will not be affected by your participation or lack of participation.

If you have any questions during the assessment, please feel free to ask the facilitator for help.

Please take a moment to answer the following questions. For each, fill in the bubble next to the response that best describes how you feel.

1. When searching for reliable, accurate health information, it is important to consider who paid for the research and who published the information.
